

ABOUT US

Revco Solutions brings over a century of collection experience to the healthcare industry. With the merger of Professional Recovery Consultants (PRC) and Credit Bureau Collections Services (CBCS) in 2019, the foundation of Revco Solutions was officially established in 2020. Upon this foundation, we expanded our footprint and service offerings through acquisition and growth, with the additions of ARMC Financial Services (Denials Management) and EOS+GSB (Early Out and Bad Debt Recovery) to the Revco Management family of companies in 2021.
